THE SENIOR SOURCE®

November 19th, 2014

To Whom It May Concern:

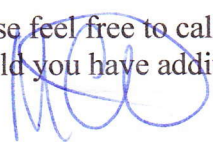

It is my honor to recommend one of the most dedicated volunteers.

Mr. Jirong Xu has been enrolled in the Foster Grandparent Program since July 2009. He volunteers 24 hours a week with a special needs child in a one-to-one relationship. Specific activities Mr. Xu performs include talking and listening, reading, playing, and singing.

The children and staff have been enlightened and always look forward to have grandpa Xu assisting in the Educational activities in the classrooms at David's Place.

Mr. Xu always demonstrates love and commitment towards the program and children. I am certain that the influence he has made on the children will have a lifelong impact on them. He is committed to making our community a better place with the sacrifice of his valuable time and efforts. He is very well liked and respected by his peers.

Please feel free to call me at (214) 823-5700, extension 6126 should you have additional questions.

Marieta Campillo
